Parramatta City Council

PLACEMENT OF BUILDING WASTE CONTAINERS ON PUBLIC STREETS

CONDITIONS

1. The size, shape and colour of all building waste containers placed on public streets shall be to the satisfaction of Council.
2. The building waste container provided shall bear the name and address and telephone number of the supplier. In each case an after hours telephone number shall also be displayed.
3. The supplier of the building waste container shall provide public liability insurance cover naming Parramatta City Council as a co-insured in the amount of \$15 million and submit evidence of such insurance with the application.
4. Each building waste container supplied shall be in good condition and properly cleaned prior to delivery.
5. Each bin shall be provided with warning lights or reflectors to the satisfaction of Council.
6. Council reserves the right to order the removal of any building waste container, despite any approval granted, and issue a fine if it deems warranted, if such container or the activity associated with it causes a nuisance.
7. Putrescible waste or dangerous or hazardous wastes shall not be placed in any building container located on a public street.
8. The supplier shall agree in writing on the application form that they will bear responsibility for the removal of any waste deposited in or around the building waste container whether by himself or at his direction or by any other person.
9. The supplier shall be responsible and accept such responsibility in writing for any damage done to the road, kerb or footpath or to any landscaping in the road due to the placement of the building waste container.
10. The supplier shall be responsible and accept responsibility for any damages or injuries which result from debris spilled from the building waste container during transport.
11. The supplier shall specify in writing the dimensions and shape of the building waste container.
12. The supplier shall specify in writing the proposed location of placement of the building waste container.

FEE PAYABLE:

\$20.00 Per Day Per Container Under 10m³ Or Part Thereof.

\$35.00 Per Day Per Container Over 10m³ Or Part Thereof.

Maximum Permissible Period 14 Days.

IMPORTANT:

Any personal information provided by you on this form will be used by Council or its agents to process this application. The provision of this information is voluntary, however, if you do not provide the information, Council will be unable to process your application. Once collected by Council, the information can be accessed by you and may also be available to 3rd parties in accordance with Council's Access to Information Policy.
